“Triple Pour“ FEAST BEER

We use a special three or four-part pour method to pour our draft beers. This takes four or five minutes, but we are sure that you will appreciate the excellent taste of Japanese beer all the more for the wait. We are very particular about the foam head on our draft beers, so are unable to offer beer with the foam poured off.

KIRIN SINGLE GRAIN JAPANESE WHISKEY FUJI

A single grain whiskey that evokes the beauty of Mt. Fuji with every sip.
The rich fruitiness and subtle spiciness are the character of “Single Grain”, a symphony of three different styles of grain whiskies.

➡ Tasting recommendation

We recommend by straight with wine glass so that you can experience the smooth and mellow taste that are the characteristics of SINGLE GRAIN JAPANESE WHISKEY FUJI

Single ¥1,100

- Step 1 — Add 2-3 teaspoons of water.
- Step 2 — Swirl (swish) and wait 5 minutes for the inner surface of the glass to dry.
- Step 3 — Gently lift the glass so that the inner surface of the glass does not get wet, and enjoy the aroma first.
- Step 4 — After enjoying the aroma, enjoy the taste.
